## Operations Report

### North Belridge 26-2H Well Update

Aurora Oil & Gas Limited (ASX: AUT, "Company" or "Aurora") has been advised by the operator that reservoir stimulation operations at the North Belridge 26-2H well have been delayed by approximately one week and are now expected to occur in early February.

The operator of the well is private USA company, Texas Crude Energy Inc. There are no other listed participants in the development project.

Yours sincerely  
**AURORA OIL & GAS**
